Coach Rowland: 404-665-7748

Coach Stanfield: 770-654-3600

Coach Storm: 678-662-0692

Coach Carter: 404-520-5295

Please dress in layers and remember to bring your:

Uniform

Extra socks

Racing shoes or extra warmup shoes

Water

Whatever other stuff you use or need for races....

1. This is a pretty busy park, so even with 400+ parking spaces, parking may be an issue for our kids and their families. In order to mitigate this issue, please help with the following.
  - a. Encourage athletes and their parents to carpool to the meet. There will be limited spaces available.
  - b. Encourage athletes to arrive early.
  - c. If their parents are dropping them off late, they may just have to drop them off. Spots will be hard to come by. The best drop-off spot for access to the course is in the middle of the parking lots (near the dog park).
  - d. If the park spots fill up, athletes and their families will need to park up the hill at Crews MS. That parking lot is identified on the map, and it is about 0.4 miles from a sidewalk entrance to the park, 0.6 from the main entrance to the park along Old Snellville Hwy.
2. The 5k course is three gravel loops, plus a little bit. The county has posted its measurement as 1.03 miles around, but it is a little shorter than that in reality. We will have the start and finish clearly marked for the athletes, and the finish area will have flagging alongside the gravel trail to contain finishers at that point. We plan to have a lead bicycle, but athletes will be on the gravel loop for the entire race.
3. The 2 mile course is basically two loops. For simplicity, we will start and finish that race at the finish line, meaning it will be a little over 2 miles in length.
4. We will have a finish card table near the end of the marked finish area to collect finish cards. It would be great if coaches can help to get names on cards legibly. We plan to back up the finish cards with finish line video as well.
